

5 Year Plan for Music

Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
8	Theme and Variations		Hip Hop	Kodaly	Programme Music	
	<p>This project puts a modern slant on 'classic' skills. It encourages students to be creative but also to take influence and guidance from great composers such as Mozart, Pachelbel and Beethoven. Theme and Variation refreshes and builds on keyboard skills learned at the end of year 7. The focus is 'Frere Jacques'. Students will build on their knowledge of this theme and use the musical elements to build on the structure.</p>		<p>This scheme is really two projects in one. It begins with a performance project, which provides a foundation for a further composition and performance project. Hip Hop/Rap utilises a great number of transferrable skills - teamwork, confidence, diction, creativity, independence, analysis, and imagination. It focuses on a range of literacy strands including rhyming schemes, creative writing, analytical writing and poetry.</p>	<p>Students will learn how to sing using this method. Sight singing, pitch, rhythm, notation and intervals form the basis of the scheme. Students will sing mostly acapella only introducing accompaniment once their pitch has improved.</p>	<p>This scheme aims to explore how pictures and art can provide the inspiration and stimulus for composition. Pupils then explore the mood of some of a story can be represented through sound and how the elements of music are used to create different effects. We will explore famous artists who have linked their work to Music and look at how images and objects are represented through sound.</p>	
Assessments	Performance	Composition	Performance	Performance	Composition	
Enrichment	Join the before school/lunchtime/ after school instrument club	Join the before school/lunchtime/ after school instrument club	Join the before school/lunchtime/ after school Music Tech club	Audition for the Musical or G & T vocal group. Join the Choir. Audition for Invictus Choir	Join the before school/lunchtime/ after school Music Tech club to create your composition ideas	
Ways to Support your Child's Learning	<p>Sing through the song with your child</p> <p>Discuss the meaning of the song</p> <p>Discuss the term 'Variation'</p>	<p>Sing through the song with your child</p> <p>Discuss the meaning of the song</p> <p>Discuss the term 'Variation'</p>	<p>Listen to Hip Hop at home. Draw some graffiti art and discuss famous, influential Hip Hop artists</p>	<p>Sing with your child. Let them perform a song to you. Make use of the radio, Tv and Films. Watch talent shows and critique them together. Go</p>	<p>Discuss famous artists with your child. Look at the history of Art which has links to Music. Visit an Art Gallery. Draw with your child and ask them to create Music to represent sound. Watch Youtube videos of Artists who represent images through sound.</p>	

				and see a musical or a live concert.
