GCSE Art and Design – 2022 UPDATE FOR YR11

GCSE Art and Design (Fine Art and 3D Design) has been impacted by the COVID pandemic in the same way it has impacted all other subject areas. For summer 2022, Ofqual have confirmed that students taking GCSE Art & Design will be assessed only on the portfolio component, resulting in the removal of Component 02 – Externally set task.

Students still need to cover the following within their portfolios:

- A01 Develop ideas through investigations, demonstrating critical understanding of sources.
- A02 Refine work by exploring ideas, selecting and experimenting with appropriate media, materials, techniques and processes.
- A03 Record ideas, observations and insights relevant to intentions as work progresses.
- A04 Present a personal and meaningful response that realises intentions and demonstrates understanding of visual language.
